

Every woman deserves
safe, respectful care
during pregnancy.

You can make it happen.

mysistersbaby.com.au

As you prepare for the birth of your child, we invite you to support a woman on the same pregnancy journey as you, but in vastly different circumstances.

By donating to one of the My Sister's Baby supported charities, **you can make a real and meaningful difference.**

Just \$200 is enough

to provide medical care for a woman navigating pregnancy in a lower or middle income country. Women will have access to:

A safe place
to birth

Trained
attendants

Caesarean
sections

Pain relief &
drugs to treat
complications
